Re: *Protecting and Promoting the Open Internet*, GN Docket No. 14-28, *Connect America Fund*, WC Docket No. 10-90, *Developing a Unified Intercarrier Compensation Regime*, CC Docket No. 01-92

Dear Ms. Monteith:

Pursuant to the Federal Communications Commission's ("FCC" or "Commission") *Open Internet Order*,¹ Mid-Plains Rural Telephone Coop., Inc. ("Mid-Plains" or the "Company"), Study Area Code 442112, hereby notifies the Wireline Competition Bureau ("WCB" or "Bureau") of its intention to cease offering its DSL broadband Internet transmission service as a separate component of its broadband Internet access service effective July 1, 2017. As such, the transmission component will not be provided as a separate regulated service and will only be provided as part of the complete broadband Internet access service that the Company offers to end user customers within its Texas serving area, either through the Company or through an affiliated company.

Mid-Plains currently provides DSL broadband Internet transmission service as a tariffed offering pursuant to NECA Tariff F.C.C. No. 5. The only customer for the Company's broadband Internet transmission service is the Company's affiliate nonregulated ISP. Notice to the affiliate ISP was provided this date by interoffice memorandum that the Company will discontinue the offering of broadband Internet transmission service as a separate component of its broadband Internet access service effective July 1, 2017.

The Commission made clear in the *Rate-of-Return Connect America Fund Order*,² as well as the *Clarification Order*,³ that a rate-of-return carrier could make the retail offering

¹ *Protecting and Promoting the Open Internet*, GN Docket No. 14-28, Report and Order on Remand, Declaratory Ruling and Order, 30 FCC Rcd 5601, ¶ 460 and n. 1378 (2015).

² *Connect America Fund*, WC Docket Nos. 10-90, et al., Report and Order, Order and Order on Reconsideration and Further Notice of Proposed Rulemaking, FCC 16-33, ¶ 194, n. 428 (rel. Mar. 30, 2016).

³ *Connect America Fund*, WC Docket Nos. 10-90, et al., Order DA 16-661, ¶ 25 (WCB, rel. June 15, 2016) (citing the *Open Internet Order*).

described in the foregoing first paragraph, and thus the revenues associated with the broadband Internet access transmission would no longer be subject to the federal universal service assessment pursuant to FCC Form 499-A.

Please contact the undersigned if you have any questions,

Sincerely,

A handwritten signature in blue ink that reads "LaTonda Stout". The signature is written in a cursive, flowing style.
